FAMILY 4TH AT LAKE UNION

NOTICE TO MARINERS

Regarding the Family 4th at Lake Union:

On Sunday July 4, 2010, boat moorage on Lake Union will be restricted to the area south of the fireworks safety zone. Buoys will demarcate the safety zone around the fireworks barges.

Navigational buoys will also mark a channel way in the SE sector of Lake Union.

Beginning at 9pm on July 4th marine traffic will not be allowed to enter Lake Union until the termination of the fireworks display.

A detailed map outlining these areas is attached.

This notice is in correlation with the annual Family 4th at Lake Union event at Gas Works Park. This free, daylong event is open to the public from noon to 11pm on Independence Day. The event culminates at approximately 10pm with a world-renowned fireworks show set within the natural amphitheater of Lake Union.
